NATIONAL MUSEUM OF FUNERAL HISTORY®
CHARITY GOLF CLASSIC
November 9, 2026

Friendships, meeting new people, craziness and creative planning are just a few of the things Jon and Laura Geren will miss about their time on the Golf Committee. For over the last two – three decades they have each donated their time and talents to The National Museum of Funeral History, Laura the Volunteer Coordinator/Manager, and Jon the Course Manager, assigning teams and providing "golfer's insight".

Their love of the museum and commitment to the funeral profession led them to join the Golf Committee. During their time on the committee, they created lasting memories like Laura meeting Game Show host, Chuck Woolery, and Jon witnessing a hole-in-one to win a hearse. Now they are looking forward to creating new memories during their retirement; they plan to live life to the fullest by enjoying time at the beach, fishing, volunteering more at their church and spending time with friends, family and their 3 boxers Thunder, Raini & Radar.
